

TOWN OF SOUTHEAST EARTH DAY PLANS 2020

If you would like to continue the tradition of Earth Day and pick up roadside litter please contact us. We are planning to make bags, gloves and vests available to individuals and groups for use from the weekend of April 25-26 through May 16-17 -weekend. Please note that there is a limited supply of gloves & vests. We have plenty of bags.

Please call Supervisor Hay at 845 279 5345 to make an appointment to pick up the bags from Town Hall at 1360 Route 22. We will need to know your name, email address & phone number, the road(s) that you intend to clean up, and the number of bags that you think you will need.

If you do decide to participate, please be very careful, wear gloves, do not congregate in groups, and practice safe distancing from others. Please wear protective clothing. Please arm yourself against tick bites.
