

**TOWN OF SOUTHEAST
EARTH DAY 2021
Saturday April 24 and Sunday April 25**

If you would like to continue the tradition of Earth Day and pick up roadside litter, please contact the Town at townboard@southeast-ny.gov. The Town is planning to make bags, gloves and vests available to individuals and groups for use for the event while supplies last. Supplies can be picked up at Town Hall, 1360 Route 22 between 7:00 A.M and 12 Noon on both Saturday April 24th and Sunday April 25th, or in advance by appointment prior to the event. Please contact Supervisor Hay at 845 279 5345 to make the appointment. The Town will need to know your name, email address & phone number, the road(s) that you intend to clean up, and the number of bags, gloves and vests that you think you will need.

If you do decide to participate, please be very careful: wear gloves and a mask, do not congregate in groups, and practice safe distancing from others. Please wear protective clothing. Please arm yourself against tick bites. Photos are welcome for posting on the Town's Website. Please be sure to identify those participants that appear in the photo, whether family, friends, or organizations.

Thank you for your anticipated participation.
