THANK YOU FOR YOUR PARTICIPATION IN EARTH DAY 2023

This is a list of the Earth Day 2023 participants that the Town has received to date. If you are not identified in the above information, please feel free to forward your information to the Town (cdubois@southeast-ny.gov) and it will be added to the Earth Day 2023 participant list.

Thank you all for your participation

Last Updated 05/01/2023

THANK YOU

2023 Earth Day Sponsors

In honor of Earth Day 2023, the Town of Southeast would like to recognize and thank the residents who clean our roads and neighborhoods 365 days a year. Their dedication and effort help to keep Southeast beautiful and as litter free as possible.

A recognition list has been compiled and posted on the Town of Southeast website along with photos from the Earth Day event. This list and photos were compiled from emails that residents sent in listing the road(s) and supplying their personal photos.

The residents of the Town of Southeast would like to thank the following sponsors for their contributions to make this year's Earth Day 2023 yet another successful environmental event.

**Suburban Carting
Town of Southeast Highway Department**

**And a very special thank you to all those that
participated in making it a successful
environmental event!**
